CONDITION 1 - STYLE of PLAY

The competition will be conducted along the lines of normal singles pennant match play without the benefit of handicap and principally played on Sundays, with any exception to be agreed to by all affected teams in that Division. Teams are required to be played in order of ability thus retaining the spirit of The Masters Pennant. See Conditions 5 & 11 and Rule 9. **Nomination fee must be paid with nomination in order to be considered in the Draw.**

CONDITION 2 – GAME and TEAM

A game is the contest between two clubs and each team shall consist of seven (7) individual matches, {value 2 points each} and a number 8 match {value 1 point}, played over 18 holes with play terminating if the match is square at the 18th hole. Players MUST cease play when a match result has been reached. The team with the highest match points is the winner of the game. Match points MUST total 15. If the points are shared evenly then the game is halved and each team receives ½ game point.

CONDITION 3 - TEAM SIZE

Matches in Divisional rounds are to be played in groups of four (4) or (2) at host club discretion. During the Finals Series, played in pairs (2) where host clubs permit. The #8 player does not need to participate in Finals play but where a team does not intend to play their #8 player they MUST, by prior notification, advise the opposing team and the #7s will play alone. All matches to be played out to achieve a team result.

CONDITION 4 – DIVISIONAL ROUNDS COMPETITION

- a) Divisional Starting Date. Divisional Rounds play may start early, as determined by the Divisional Convenor in conjunction with the participating clubs, but no later than 6th May 2018. This would allow for washed out matches to be played prior to 25th June 2018.
- b) The last date of divisional play is Sunday 24th June 2018.
- c) The date reserved for Divisional Play-offs, Sun 1 July 2018, in the Pennant Finals Series, cannot, **under any circumstances**, be used to finalise incomplete games from Divisional Rounds.
- d) All games must be played at the venues listed in the current draw unless prior approval is given to a change of venue by the Masters Pennant Committee.
- e) If a game is played at a different venue without prior approval of the Masters Pennant Committee, both teams will be awarded zero points for the game.
- f) **Any spare date scheduled in the original Draw will be considered part of The Draw and must be used for the first of any washed out/deferred game/s, unless TMP Match Committee consider the game result has no bearing on the Divisional Winner.**

CONDITION 5 – ORDER of PLAY

Order of play is 8 & 7, 6 & 5, 4 & 3, 2 & 1. The team captain / manager shall provide the host club official starter with the team nomination, in order of play with applicable players current exact GA handicap, 15 minutes prior to hit-off time. CONDITION 6 - PUTTING ORDER AND PROCEDURE AFTER PUTTING OUT

- a) Putting order to be determined for each separate match, when playing in fours. Distance from the hole and interference with another player's putting line should be considered. **The match which commences putting first should complete putting out.**
- b) After completing the hole, the match that has putted out **MUST** move **immediately** to the next teeing ground and prepare to play. Failure to comply may result in a penalty under Rule 4 below.

CONDITION 7 – HOST CLUB RESPONSIBILITIES

(a) Green Fees

No green fees are to be charged.

(b) Teeing Ground

The teeing ground should be at the discretion of the host club BUT the total course length should not exceed 6,000m with the teeing ground not be too far forward. Middle tees would be preferred.

(c) Match Official

In order to improve the situation during the season we respectfully request that on the day the host club make available a Match Official/s to control the game, monitor the speed of play and where necessary take action to improve the pace of play and also act as a “Rules Official”.

(d) Decisions

Any decisions, given by the “Rules Official” on the Rules of Golf shall be final unless he wishes to refer to the Masters Pennant Match Committee.

(e) Tee Times

i) Any tee times outside the designated time frames, 8:00 – 11:30 (last hit-off) MUST be ratified by the Masters Pennant Match Committee. If the actual tee time is later than 11:30 and matches do not finish due to lack of light the following will apply: all unfinished holes are awarded to the visiting player until a match result is achieved. For example, if the host player is dormie 3 the remaining holes will be awarded to the visiting player with a resultant square match. Providing there are no other mitigating circumstances (e.g. suspension of play), a visiting player will be entitled to consider Pennant play for the next hole not possible when any of the following conditions exist:

1) Clear sky	10 minutes after designated sunset
2) Overcast	At designated sunset
3) Heavy cloud/rain or mist	10 minutes before designated sunset

If play of a hole has commenced before the time limit as above in either 1 or 2, or 3, then that hole must be resolved.

The designated Rules Official, Convenor, and or Team Captain is to be responsible for monitoring the above. At any time when there is any discrepancy, and/or unresolved disagreement, judgement is to be ruled against the host club.

ii) Any alteration to advertised starting times MUST be conveyed to the Divisional Convenor and all clubs affected by the alteration with at least two (2) weeks' notice.

iii) No practice or buffer time is to be provided on the day of the match. Host clubs are requested to provide practice time prior to the programmed date of matches.

(f) Results

The Host Club **shall** notify the Sydney AAP newspapers of the results of the Competition, and additionally, notify the Masters Pennant Committee by email on the day of play. If a game is washed out or course closed the Masters Pennant Committee **MUST** be notified immediately.

(g) Discontinuance of Play

- i. In the event of play being discontinued due to darkness or inclement weather, the players are to continue from the point where the play was stopped and play the normal course. All completed matches will stand.
- ii. In the event of play being discontinued **or not possible due to course closure**, or a serious incident occurs prior to, or during a game which creates circumstances to cause the cessation of a match / matches or the suspension of the game, and an agreement for the rescheduling / completion of the game cannot be reached by the clubs involved, all details must be referred to TMP Committee within 24 hours for consideration. The Masters Pennant Match Committee will decide whether to complete the game; this will be conditional upon the game having a bearing on the competition and a game result has not been reached. If a game result has been achieved, then all completed matches will stand and incomplete matches will be halved for the purpose of Divisional Winner Seedings if necessary.
- iii. Any unplayed, or unfinished game **MUST** be completed by the final date of divisional play otherwise each team will be awarded a halved game. The reserved date for divisional play-off CANNOT be used for this purpose **under any circumstance**.

CONDITION 8 – DIVISIONAL WINNERS AND SEEDINGS

(a) Divisional winners to be determined on:-

- (1) Games won (1 point) and halved (½ point) - (i.e. team wins including halves), if even,
- (2) Total points scored – (i.e. individual matches, including ½ and # eights), if even
- (3) Total points scored – (i.e. individual matches, excluding # eights), if even
- (4) Total points scored – (i.e. individual matches, excluding ½ and # eights), if even
- (5) The highest number of Matches won when the tied teams played each other, if even
- (6) By play-off within a division OR the previous year's seeding

(b) Seedings

The teams will be seeded using the following formula:-

$$\frac{(\text{Games Won \& Halved})^2}{(\text{Scheduled Games})^2} \times \frac{\text{Matches Won \& Halved}}{\text{Scheduled Games}}$$

That is, the number of **games** won & halved squared divided by the number of scheduled **games**, squared; this is then multiplied by the number of **matches** won and halved divided by the number of scheduled **games**.

In the event of tied seedings a count back will apply using the Divisional Winners procedures 1 to 5 and then by coin toss.

(c) Incomplete Final Series Games

When a game cannot be played, or completed on the scheduled day, or within the next 6 days, the following system will apply:

All completed matches will stand.

All incomplete matches will be halved, and the Team with the highest number of match wins will be declared the winner.

If the match wins are tied, then the Team with the highest seeding after Divisional play will be declared the winner. If the seedings are equal, the winner will be decided by lot.

When a game is not played at all on the scheduled day, and cannot be programmed **with both team's approval**, before the next round, the Team with the highest seeding after Divisional play, will be declared the winner.

It is important that all Teams are aware of the format beforehand, to ensure that there is no misunderstanding if it is necessary to implement same, and hopefully they can take the appropriate measures beforehand to avoid this action.

This procedure is necessary so that the progressing teams are determined prior to the next round, as the dates of play and venues cannot be changed, and The Competition must proceed without interruption to The Final.

CONDITION 9 – COURSE AVAILABILITY

All participating clubs must make their course available (if required), for Final series games by reserving an appropriate 30 minute tee time, at 11:00 am or earlier, on at least one of the play-off dates of their choice at the time of nomination. A Divisional winning team failing to do so may not be allowed to proceed in the play-off series.

This condition is necessary to ensure that the required number of suitable courses can be allocated fairly to all clubs involved in the Final Series and will be made at the Masters Pennant discretion.

CONDITION 10 - GENERAL

(a) **Dress Rules:** All players and caddies should be aware of, and **MUST** abide by, the dress regulations both on course and in clubhouse of the Host Club.

(b) **Provision of Shirts and Balls:** The provision of shirts and balls to players will be at the discretion of each club.

7:30pm Thursday 6th October 2016 at Castle Hill Country Club
Spurway Drive, Castle Hill, NSW

- e. Divisional Convenors – All divisions have a convenor.
- f. Other Matters:
- a. Draw method – discussed at length. It was pointed out that the following criteria is used:
- A Divisional Winner from the previous year heads each new division.
 - A Divisional Runner up from the previous year plays in a different division to their previous Divisional Winner and also based on the “Who’s Played Who” over the last three years.
 - The ranked 3rd / 4th clubs in the previous year are “sort-of” allocated geographically and also based on the “Who’s Played Who” over the last three years.
 - The Draw takes into account the 9 Hole courses particularly based on the “Who’s Played Who” over the last three years. There are currently, two such clubs in the Metro area.
 - If reasonably possible an existing Convenor’s club is fitted into a division.
 - The distance between clubs within a division is taken into consideration.
- b. It was suggested that during the process of nomination that the names of clubs that have nominated for the ensuing season be displayed on the Masters Pennant website so that players whose clubs that have NOT nominated are aware of that fact and can take action with their club officials to rectify the lack of nomination.

There being no further business;

Meeting closed: 20:30. The Captain thanked those that attended and invited them to partake in refreshments.
